## ABOUT ME

I am currently a Bachelor of Science in Information Technology student. I possess a profound interest in computers, and I am consistently eager to expand my knowledge in this field. As the eldest of my siblings, I reside with my relatives in Manila, while both of my parents reside in Visayas. I love pets, especially dogs. Additionally, I enjoy engaging in digital games and watching movies during my leisure time.

## EDUCATION

## MY GOALS

My goal is to become a computer engineer as my profession. I also want to travel the world and achieve every little dream I have. I aim to help my parents and make them proud. I also want to have a stable and healthy family someday. I aspire to be successful, explore the world, enjoy my life, and live it to the fullest.
